

Template for application, Scholarship for Clinical studies (20 percent)

Format Requirements

- The application must be concise and written in Norwegian, English, Swedish, or Danish.
- Page Limit: Maximum 5 pages. The page format should be A4.
- Font: Calibri 11 pt or equivalent, single line spacing, with at least 2 cm margins.

1. Projects and Motivation

1.1. Current Project(s)

Please list any current project(s) that the applicant will contribute to. For each study, please provide the following information:

- Project title
- Project leader (internal)
- Funding source
- Project period (funding period)
- Other study sites in the region (if applicable)
- Local, regional, national, and international collaborators

1.2. How the Applicant Will Contribute to the Project(s)

Please provide a brief description of the research activities the applicant will participate in during the scholarship period (e.g., inclusion, analyses, and publications).

1.3. Budget

Apply for funding for the scholarship (20 percent) only, using the postdoctoral rate. The budget should be entered in the application form (eSøknad).

1.4. User Involvement

Researchers receiving Helse Vest's research funds must complete a [course in user participation](#). Hospital employees will receive a certificate if they complete the course in "Læringsportalen".
